

# Specialized Masonry Restoration

Our mission is to save one brick building at a time, using the latest techniques available on the market.  
To protect your investment of residential, commercial, and historical buildings.

## Why SMR?

- ✓ Thirty years experience and expertise
- ✓ Understanding of masonry structures
- ✓ Cutting edge equipment
- ✓ Highly-skilled team
- ✓ Detailed and meticulous work
- ✓ Comprehensive, flexible service
- ✓ Wide range of specialist anchor systems
- ✓ Reliable and efficient specialist contractors

Alan Pettingale, as the founder of SMR, has extensive expertise in the application of masonry restoration for schools, churches, colleges, historical, residential and commercial buildings.

Alan insists on a constant evaluation of new restoration techniques. This allows for a wealth of innovative solutions for modern strategies in masonry stabilization, which he applies effectively and efficiently. Alan also brings an extensive knowledge and years of experience in managing teams and subcontractors.
